Basic Information

- Place of Origin: Japan
- Brand Name: Kobelco
- Model Number: SK480
- Minimum Order Quantity: 1set
- Price: Negotiable
- Packaging Details: Container, Bulk
- Delivery Time: 5-10 Work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: About 100 units are supplied every month

Product Specification

- Max Digging Depth: 7.8m
- Condition: Used
- Max Travel Speed: 5km/h
- Weight: 48000kg
- Hours: 1000
- Swing Speed: 7.8rpm
- Year: 2020
- Engine Oil Change Volume: 50
- Highlight: Second Hand Kobelco 480 Excavator, Used Kobelco 480 Excavator, Low Fuel Consumption Used Kobelco Excavator

Product Description

Used Kobelco SK480 Japan Excavator 48 Tons 48000kg

Product Description:

Used Kobelco Excavator is a heavy-duty digger machine with a maximum lifting capacity of 5t and a weight of 48000kg. It is manufactured by the renowned brand Kobelco and features a bucket capacity of 2.5m³ and a maximum digging height of 10m. It has been designed to provide superior strength and durability. It is ideal for tough digging projects and can easily handle heavy-duty tasks. The Kobelco Digger Machine is equipped with a powerful engine and the latest technological features to offer exceptional performance. It is highly efficient and offers excellent fuel economy. It is easy to operate and maintain, making it a reliable and cost-effective choice for any construction or mining application.

Features:

Product Name: Used Kobelco Excavator

OperatingWeight: 51000kg

Condition: Used

Year: 2020

Max Lifting Capacity: 5t

Bucket Capacity: 2.5m³

Advantage:

Incorporates advanced technology for precise control, efficient operation and improved fuel efficiency, contributing to overall productivity. Suitable for various applications, including mining, its design and capabilities make it versatile for different job site requirements.

Gallery:

Parameter	Value
Max Digging Height	10m
Original Country	Japan
Hours	1000
Max Digging Depth	7.8m
Max Lifting Capacity	5t
Max Travel Speed	5km/h
Brand	Kobelco
Max Digging Radius	12m
Main Relief Valve Setting Pressure	34.3Mpa
Year	2020

Applications:

This used excavator is perfect for construction, landscaping, digging trenches, demolitions and heavy lifting. Its advanced features, including powerful engine, robust structure, high-quality bucket, and excellent maneuverability, make it a perfect choice for any worksite. With its reliable performance and excellent service, the Used Kobelco Excavator SK480 is an ideal machine for any excavating job.

Packing and Shipping:

Used Kobelco Excavator will be packed in a high-grade export packaging, including a wooden box and plastic film. The wooden box is designed to protect the excavator from external shocks and damages during shipping. The plastic film is used to keep the excavator clean and prevent dust and water from entering. After packing, we will arrange shipping by sea or by land, depending on clients' needs.
